The Chinese government is promoting "Made in China 2025," a manufacturing innovation plan and the "Guangdong-Hong Kong-Macao Big Bay Area initiative" project as measures to strengthen the South China Regional Economic Cooperation and Integration. The Pearl River Delta centered on Shenzhen and Guangzhou with clusters of innovative companies with lots of value addition is attracting worldwide attention as a region that will lead the manufacturing power of China. In addition, In addition, another large attraction is the cuisine of Guangdong, made from delicious local ingredients and the people's obsession for food, as seen in the proverb "All delicious food is in Guangzhou."

### 交流内容

Exchange contents

兵庫県・広東省とも古くから対外貿易の中心地であること、広東省出身で「中国革命の父」とされる孫文と兵庫県とのゆかりが深いこと、兵庫県に在住する広東省出身者が多いことなどを背景に、1983年3月23日に友好提携を締結して、以降多分野にわたる交流を推進。近年では、両県省代表団の相互訪問、日本・広東省の対話枠組み「日本広東経済協会」による経済交流協議、「ひょうご国際ビジネスサポートデスク」の設置、観光プロモーション団の派遣、観光ビジネス交流会議の開催、高校生の相互訪問、国際交流員の受入れなどにより交流を深化させている。

Against the backdrop that both Hyogo and Guangdong have been trade centers with overseas from ancient times, that Sun Yat-sen known as "the Father of the Chinese Revolution" was closely related to Hyogo and that there are many people from Guangdong in Hyogo, we formed a friendship agreement on March 23, 1983. Since then, we have promoted ex-change in a variety of fields. In recent years, we have deep-ened exchange through mutual visits by delegations of the both parties, economic exchange through the "Japan Guangdong Economic Promotion Council" which is a dialogue framework between Japan and Guangdong, establishment of the "Hyogo International Business Support Desk," dispatch of a tourism promotion team, holding of tourism business exchange meetings, mutual visits of high school students and acceptance of Coordinators for International Relations, among other activities.
