

自転車安全利用五則 (Five Rules for Safe Bicycle Ride 英語版)

1 Ride bicycles on the roadways (Exceptionally allowed on sidewalks)

Riding a bicycle on sidewalks is allowed only in the following cases:

- When indicated by traffic signs and markings
- When the rider is a child 12 or under, an elderly person 70 or over, or a person with a physical disability who cannot ride bicycles on roadways
- When it is unavoidable for the bicycle rider to use sidewalks in order to secure safety due to traffic conditions

2 Keep left on the roadways

3 Yield to pedestrians on sidewalks; go slowly on the side closer to the roadway

4 Observe safety rules

- Drunken riding, riding double and riding side by side are prohibited.
- Have lights on during evening hours.
- Obey the traffic lights, and stop to check the safety at an intersection.

5 Children are to wear helmets
